The drug steward must have NSWPHA authority to sign any relevant paperwork. The owner/handler of the horse should appoint a representative to also accompany the horse. Prizemoney is to be withheld until such time as a clear/negative test result is received by the NSWPHA.

### **PRIZEMONEY, PRIZES, ETC**

1. **Prizemoney** – is to be calculated prior to the show and consists of total income from nomination/payments less expenses.
  - 1.1. Prizemoney is paid by cheque from the NSWPHA Futurity Account, and is made payable to the recorded owner of the horse.
  - 1.2. Prizemoney payouts are on a sliding scale and calculated according to the number of entries and paid to the nearest dollar.  
*Exception – The NSWPHA Committee reserves the right to allow provision to re-allocate a percentage of prizemoney within a futurity to offer incentives to the competitors in that event.*
  - 1.3. In the event that horses fail to finish and qualify for a placing, the prizemoney payout shall be calculated on the number of horses that finish and qualify for a placing. In the event that no horses finish and qualify for a placing all moneys less expenses shall carry over to the same event in the next years futurity.
2. **Expenses** – are calculated by dividing the total expenses by the total number of horses in all futurities. This figure is then multiplied by the number of horses fully paid up in each event to calculate the expenses for that event.
